Hallcraft communities are carefully selected for their proximity to all the facilities required for the convenience and enjoyment of good living. There are public and parochial schools and churches of many denominations close by as well as recreation facilities, major shopping centers and easy access to all parts of the valley.

*one of america's leading home builders...*

# getting acquainted with Hallcraft Homes ...

Dedicated to quality construction, outstanding value, functional design, and preferred locations, Hallcraft Homes, Inc., established in 1951, has become one of the nation's largest and most respected home builders.

Hallcraft is currently building in 13 cities and communities in 3 states, producing well over 4,500 residences a year.

To date, approximately 100,000 persons have chosen to live in Hallcraft Homes or Townhouses in the Arizona cities of Phoenix, Glendale, Mesa, Tempe and Scottsdale, as well as in Denver, Colorado; San Diego, San Jose and Los Angeles, California.

Some indication of Hallcraft popularity, quality, and value lies in the fact that one out of fifteen people in the greater Phoenix area lives in a Hallcraft Home or Townhouse.

Still another big plus in favor of owning a Hallcraft residence is the enjoyment of high resale value . . . as many owners over the years have been pleased to discover.

The Hallcraft Showcase of Homes in Phoenix, averaging over a thousand visitors each week, is one of the most advanced home display centers in America. This Showcase has been created for your convenience, where you can enjoy a pleasant visit to the beautifully furnished model homes as well as look over a vast array of information on Phoenix and its surrounding areas.

You will find courteous, well informed Hallcraft Homes representatives at this display center or in the model home area, ready to answer your questions and to serve you. Why not introduce yourself to the representative of your choice and let him demonstrate at least one model home to you. He has a wealth of up-to-the-minute information. There's no obligation what-so-ever, and you will enjoy the few moments of time well-spent . . . for he can help you to discover how easy and economical it is for you and your family to step up to a fine new home of your own.

Hallcraft homes come in a wide variety of handsome, livable designs in a variety of select locations. Just a small initial investment and payments considerably less than rent will give your family the pleasure and security which comes with being the proud owners of a new prestige home wherever you choose in one of the many select Hallcraft locations in the greater Phoenix area . . . one of the fastest growing communities in America.
