**WHY WAIT? YOU CAN HAVE
YOUR NEW HOME NOW WITH OUR**

Carefree Move

Dreaming of owning a new home with all of the features you have always wanted? It may not be as far out of your reach as you think!

We have devised a unique "CAREFREE MOVE" program to smooth your way from your present home to that new dream home.

One of the things that puts many new home buyers off is the frightening possibility of owning two homes once they have made a commitment to buy their new home, but haven't sold their present home. Or, the frustration of attempting to market their old home "by owner". Or, the really expensive and inconvenient possibility of the "Double Move".

The "CAREFREE MOVE" can ease your way from your present home to that new dream home without the frustrations and inconvenience... or the double move, and if your home qualifies you can even have your equity in cash for that new furniture or drapes.

If you are interested in the possibilities of our exclusive "CAREFREE MOVE" program, call Patrick Barker, Creative Realty & Investments, 995-9558. They may be able to start you on your way to that beautiful new home sooner than you thought!!
